

chat facebook pc download

The advertisement features the Messenger logo on the left. The main heading is "Messenger for Windows" with the tagline "Keep up with friends, no matter what you're doing." Below this, two key features are highlighted: "Chat while you do other stuff" and "Get notified instantly". A green "Install Now" button is present, along with a link to the "Help Center". On the right, a smartphone displays the Messenger app interface, and a desktop window shows a chat conversation with Jack O'Connor. At the bottom left, there is a small image of a smartphone and a link to "Messenger for Mobile".

Messenger for Windows
Keep up with friends, no matter what you're doing.

Chat while you do other stuff
See and respond to chats right from your desktop. Whether you're browsing other websites or using another app, you don't have to click away to stay connected.

Get notified instantly
Find out about new comments, photo tags and more as soon as they happen.

Install Now
